

The 30th International Herpesvirus Workshop

July 30 – August 5, 2005
Turku, Finland

Sponsorship Opportunities

30th International Herpesvirus Workshop IHW2005

You are most welcome to participate as a collaborator, sponsor or an exhibitor in the 30th International Herpesvirus Workshop, which is to be held in Turku, Finland, on July 30 – August 5, 2005.

The meeting has a program for five days, preceded by special satellite workshops for one day. There are lectures and presentation of scientific results from early morning until late afternoon, followed by discussions at the posters in the evening. The scientific program can be viewed on the relevant pages in this website, as well as the topics of the sessions and the symposia. There will be clinical topics and a clinical symposium, as in many previous IHW meetings. Herpesvirus vaccines and vaccine vectors are highlighted in special sessions and symposia, as well as the antiviral therapy against herpesviral diseases.

The participants meet at an informal reception the evening before the program starts, and there is a banquet at the end. There are several excursions to local attractions on one afternoon.

The IHW meeting provides you with opportunities to network with the participants and speakers and discuss the latest advances in research on biology and pathogenesis of the herpesviruses, and share the latest news and views on antiviral chemotherapy and prophylaxis of herpesviral infections.

How to contribute to the meeting?

The corporate participation and support can be for the meeting in general, as a donation, or to sponsor specific purposes such as invited speakers, the reception, the banquet, excursions, conference bags, pad folios, umbrellas, shuttle buses, abstract book, poster sessions, box lunches, internet room with email stations, lunches, refreshment breaks, advertisements or a stand at the exhibition (EUR 300,- per m² + VAT 22%) which will be in the adjacent poster hall at Turku Congress and Fair Center. All coffees and lunches will be served in the exhibition hall. Exhibition space is available from 6 m² to larger sizes. It is also possible to have an exhibition stand for 2-3 days instead of the whole meeting.

Please, see and fill in the attached form!

We hope that you find the meeting interesting and will consider participating it in one way or another. Please contact us or the Congress Office if you have any questions.

We are looking forward to hearing from you.

Sincerely yours,

Veijo Hukkanen
Co-chair IHW2005
